

## AIRPORT EXIT

# Gran Canaria Airport (LPA)

### THE ANSWER

**Take Global line 60 from the stop above arrivals - EUR 2.30 to San Telmo in the centre of Las Palmas, EUR 2.95 to the Santa Catalina interchange, about 20-30 minutes, twice an hour.**

The airport sits on the coast road between the capital and the southern resorts, so one bus goes north to Las Palmas and another goes south to Maspalomas - both for the price of a coffee.

Heading south to the beaches? Line 66 runs hourly to Playa del Ingls (EUR 3.50) and Faro de Maspalomas (EUR 4.05). Two or more with bags? The taxi flag is EUR 3.85 by day with EUR 1.35 a kilometre, so a run to Las Palmas lands around EUR 20-25.

### EVERY WAY OUT — REAL PRICES

**Global line 60 (Las Palmas direct) \*BEST FOR MOST\* EUR 2.30-2.95**

The direct bus between the airport and the capital: EUR 2.30 to San Telmo station in the city centre and EUR 2.95 to the Santa Catalina interchange by the harbour. About 20 minutes to San Telmo, 30 to Santa Catalina. From the airport the first bus is 05:15 and the last departures are 20:15, 21:15 and 22:15; from the airport the last into town is 23:15. Two buses an hour from 06:00 to 20:00.

**Global line 66 (Playa del Ingls / Maspalomas) EUR 3.50-4.05**

The southbound tourist bus, hourly: EUR 2.75 to Baha Feliz / Morro Besudo, EUR 3.50 to Playa del Ingls and EUR 4.05 to Faro de Maspalomas. Leaves the airport between 07:20 and 20:20 and returns between 06:20 and 19:20 - there is no evening service back to the airport on this line.

**Global line 91 (Puerto Rico / Puerto de Mogn) EUR 4.95-6.80**

The south-west run, hourly, reaching the resorts the 66 misses: Arguinegun EUR 4.95, Patalavaca EUR 5.25, Puerto Rico EUR 5.45 and Puerto de Mogn EUR 6.80. It also calls at San Telmo (EUR 2.30) and Santa Catalina (EUR 2.95), so it doubles as a capital bus when the 60 is full.

**Global lines 5, 36 and 90 (Maspalomas / Telde) EUR 1.40-4.05**

Line 5 runs to Baha Feliz and Faro de Maspalomas (EUR 4.05); line 36 links Maspalomas and Telde (EUR 1.45 to Telde, EUR 4.05 to Maspalomas); line 90 adds Arguinegun (EUR 4.95) and Playa del Ingls (EUR 3.50). Useful when the 66 has gone for the day.

**Taxi (official rank) EUR 20-55**

Metered, no fixed airport fare: the flag is EUR 3.85 by day (06:00-22:00) and EUR 4.25 at night, on holidays and on Sundays, then EUR 1.35 a kilometre by day and EUR 1.55 at night. Waiting time is EUR 18.50 an hour. A run to Las Palmas lands around EUR 20-25 and the southern resorts EUR 35-55 depending on the traffic on the GC-1.

### THE TRAPS — WALK PAST THESE

**The bus stop is a floor above arrivals**

The airport bus stop is on the departures level, not outside the arrivals doors. From baggage reclaim you have to go up one floor by lift or escalator and follow the bus signs. Travellers who walk straight out of arrivals find taxis and hire cars, and conclude there is no bus. **Do this:** go up one level from arrivals and follow the bus signs to the stop on the departures floor

**The wrong line to Las Palmas is the slow one**

Lines 1 and 91 also reach Las Palmas, but they are long interurban routes that stop their way north. Line 60 is the direct service, and it is the one that gets you to San Telmo in about 20 minutes rather than an hour. **Do this:** take line 60 for the capital, and save lines 1 and 91 for the destinations only they serve

**Nothing goes south to the resorts in the evening**

Line 66's last run to Faro de Maspalomas is at 20:20 and line 90's last is 20:30, with the last bus back to the airport at 19:20 on the 66. Land after that and there is no public bus to Playa del Ingls or Maspalomas at all. **Do this:** if you land after about 20:00 and you are heading south, book a transfer or take a taxi from the rank

**There is no flat airport taxi fare**

Gran Canaria taxis are metered: EUR 3.85 to start by day and EUR 4.25 at night, on Sundays and on holidays, then EUR 1.35 or EUR 1.55 a kilometre, plus EUR 18.50 an hour if you are stopped. Anyone quoting a single fixed price to Maspalomas is guessing, and often upwards. **Do this:** use the signed rank, check the meter starts on the day or night tariff, and ask for the receipt

**The airport is not in Las Palmas**

It sits at Telde, about 20 km south of the capital and roughly 35 km from Playa del Ingls. Planning a quick hop into Las Palmas for a connection, or a walk to a hotel, does not work from here. **Do this:** allow 20-30 minutes to Las Palmas and about an hour to the southern resorts by road

### KNOW BEFORE YOU WALK

- Fares from the airport: San Telmo EUR 2.30, Santa Catalina EUR 2.95, Baha Feliz / Morro Besudo EUR 2.75, Playa del Ingls EUR 3.50, Faro de Maspalomas EUR 4.05, Arguinegun EUR 4.95, Puerto Rico EUR 5.45, Puerto de Mogn EUR 6.80.
- Line 60 runs from about 05:15 and its last departures towards the airport are 20:15, 21:15 and 22:15; from the airport the last bus into Las Palmas is 23:15.
- Tickets are sold on the bus and at the machine beside the stop; the Global customer line is 928 252 630.
- Global's line 1 runs to Puerto de Mogn via the capital and is the longest route from the airport, so check the destination board before boarding.
- Line 91 reaches Puerto Rico and Puerto de Mogn, which the more frequent line 66 does not.
- The airport is on the GC-1, so a taxi south to Maspalomas is a straight motorway run but can still take an hour in holiday traffic.
