THE ANSWER

Take the Prestia e Comand airport coach from outside arrivals - EUR 6.50 on board, or EUR 6.00 bought in advance online or in the app. It leaves every 30 minutes, every day of the year, and reaches via Libert, Politeama and Stazione Centrale in about 50 minutes.

It is the only option that runs every half hour from 05:05 until 01:05, and it drops you at the city stops rather than a single station, so it works whatever hour you land.

Tight budget? The Trinacria Express train is EUR 6.80 and its station is inside the terminal, but it only runs about twice an hour. Two or more of you? A taxi is a fixed EUR 39-50 by zone, and shared taxis are EUR 10 a head once four passengers are going.

EVERY WAY OUT — REAL PRICES

Prestia e Comand airport coach *BEST FOR MOST* **EUR 6.50**

Leaves from the coach bays outside the arrivals hall every 30 minutes, all year round, first bus 05:05 and last 01:05. Stops include via Libert, Politeama and Stazione Centrale (Terminal Fazello). EUR 6.50 on board, EUR 6.00 booked online or in the app; return EUR 11.00 on board or EUR 10.00 in advance; children 3-12 EUR 4.00; under 3 free. The airport ticket office beside the bays is open daily 07:30-23:00, and after 23:00 you buy from the driver.

Trinacria Express train (Trenitalia regionale) **EUR 6.80**

The station is inside the terminal, on the basement level - no shuttle and no walk outdoors. Trains run roughly twice an hour, leaving the airport at about :26 and :45, and call at Palermo Notarbartolo, Palazzo Reale-Orleans, Lolli and Palermo Centrale. Adult EUR 6.80, children 4 to under 12 EUR 3.50, under 4 free. Buy the Biglietto Digitale Regionale in the Trenitalia app, up to five minutes before departure.

Taxi from the official rank (fixed zone fare) **EUR 39-50**

The airport publishes flat fares by destination zone, the same in both directions and the same by day and night: EUR 39 for Viale Michelangelo / Viale Lazio, EUR 44 for Corso Calatafimi / Corso Vittorio Emanuele, EUR 50 for Stazione Centrale / Brancaccio. The rank is outside arrivals. Note that the Comune's own April 2026 tariff resolution lists revised figures for the same three zones (EUR 42.74 / EUR 48.22 / EUR 54.80) which the airport page has not yet picked up.

Shared taxi (taxi sharing) **EUR 10 per person**

Two dedicated stands in the arrivals area run a shared-taxi service at a flat EUR 10 per passenger, but the fare only applies once at least four passengers are travelling. Run by Cooperativa Trinacria (booking 6878.it/taxi-sharing, WhatsApp 331-4296956) and Cooperativa Autoradio Taxi (taxi-palermo.com, 091-8481, WhatsApp 331-3284403).

THE TRAPS — WALK PAST THESE

The train does not take half an hour to the city centre

Trenitalia's own footnote gives the half-hour figure for Palermo Aeroporto to Palermo Notarbartolo - a station in the north of the city, not the centre. On the real timetable the run to Palermo Centrale takes 51 minutes to 1h09, most departures about 1h02. The bus does Centrale in about 50 minutes. **Do this:** check whether your hotel is nearer Notarbartolo than Centrale before you choose the train over the bus

The fixed fare is a ceiling that drivers treat as a starting point

The maximum legal fare from the airport is EUR 50, but drivers ask well above it: a passenger who should have paid EUR 44 was quoted EUR 65 and only paid the correct fare after arguing, and another was charged EUR 70 for a trip to the university with traffic given as the reason. **Do this:** name your destination zone before you get in and state the fixed fare - EUR 39, EUR 44 or EUR 50 - and refuse anything above it

Buying the coach ticket on board costs EUR 0.50 more

The same single fare is EUR 6.00 bought online or in the app and EUR 6.50 from the driver. On top of that, the airport ticket office closes at 23:00, so a late landing means paying the higher price by default. **Do this:** buy at booking.prestiaecomande.it or in the app before you fly, which also reserves you a seat on a specific departure

Punta Raisi is 35 km out of town, not on the edge of it

The airport sits at Punta Raisi, in the municipality of Cinisi, 35 km west of Palermo. There is no cheap urban-ticket hop here: even the bus is EUR 6.50 and takes the better part of an hour, and the taxi is EUR 39 at the very least. **Do this:** budget a full hour and about EUR 7 per person to reach the centre, and do not plan a tight connection

KNOW BEFORE YOU WALK

- The train station is inside the terminal building on the basement level - follow the signs for Treni, there is no shuttle and no outdoor walk.
- The coach runs every 30 minutes from the airport from 05:05 to 01:05, holidays included, which makes it the only public option for a post-midnight arrival.
- Trains leave the airport at roughly :26 and :45 past the hour, about two an hour, dropping to one an hour in some bands.
- Taxi sharing is a flat EUR 10 per person but only once four passengers are travelling - the two stands are clearly marked in arrivals.
- Trenitalia's regional digital ticket can be bought in the app up to five minutes before departure, so you do not need to find a machine on arrival.
- Children aged 3 to 12 pay EUR 4.00 on the coach and EUR 3.50 on the train; under-3s travel free on both.

Prices verified October 2026 against the airport operator's own taxi page (aeroportodipalermo.it), the Comune di Palermo taxi tariff resolution (Delibera di G.C. n. 141 of 30/04/2026), Prestia e Comand's published ticket channels and Trenitalia's regional fares. Coach EUR 6.50 on board and EUR 6.00 booked in advance, return EUR 11.00 / EUR 10.00, children 3-12 EUR 4.00 - the on-board figure is the one every source agrees on, so the EUR 6.00 advance price is given as published by the operator's leaflet. Train EUR 6.80 adult, EUR 3.50 ages 4-12. Taxi flat fares EUR 39 / EUR 44 / EUR 50 as published by the airport and by Radiotaxi Palermo; the Comune's April 2026 resolution lists EUR 42.74 / EUR 48.22 / EUR 54.80 for the same zones and the airport page has not been updated to match, so treat EUR 39-50 as the range currently in force and confirm the figure with the driver before setting off. Shared taxi EUR 10 per passenger. Journey times to Palermo Centrale (51 min-1h09 by train, about 50 min by coach) come from Trenitalia's timetable for the airport line, not from the operator's headline claim of about half an hour, which applies to Palermo Notarbartolo.
